

## ***Continuing Competence Interest Group***

Presents:

# ***QUALITY ASSURANCE-ASSESSMENT STRATEGIES-FEEDBACK***

**Dr. Kevin Eva, BSc, PhD**

Dr. Eva is a Senior Scientist at the Centre for Health Education Scholarship in the Department of Medicine at UBC. His research focus encompasses educational practices of the health professions, and more specifically the development, maintenance, and assessment of competence in health professionals, the selection of students, clinical reasoning strategies, and the role of self-regulation in professional practice. Dr. Eva approaches his research with an expertise in cognitive psychology, statistics, measurement and theory and practice of health sciences education.

**Join this interactive workshop to...**

*Discuss quality assurance activities of other healthcare professions – their experiences and issues.*

*Understand the fundamentals of assessment –and how well your organization fits.*

*Learn different forms and purposes of self-assessment*

*Discuss issues related to feedback – and what the research is telling us about how to deliver it well.*

**Wednesday February 22, 2012**

**9am to 5pm**

**CARNA 11620 168 Street**

**Edmonton**

*Register early – the workshop is limited to 100 participants with priority to AFRHP/CCIG members until December 31. From January 1 onwards registration is open to all interested individuals. Final registration deadline: February 8.*
