**21st Century Regulation:
Applying
Risks and Supports Data
for
Healthy Professional Practice**

**presented by
Continuing Competence Interest Group**

Join this interactive workshop to examine
and discuss:

- What research says about risks and supports to competence in health professionals
- How regulators might use risks and supports data to inform and encourage effective performance in health professionals
- Examples of continuing competence programs influenced by risk and supports information
- How health professionals receive and react to feedback data.

Workshop designed for:

- Continuing Competence Program leaders, health professions regulatory staff, committee and council members, non-health professions regulators

Date: Thursday, February 7, 2019

Time: 9:00 am – 5:00 pm (Breakfast 8:00 - 9:00 am)

Location: Delta Hotel by Marriott - Edmonton South

Cost: AFRHP Member \$ 200
Non-Member \$230

Registration information to be circulated in October
